

# The Greed Is Blind

Crystal Viper

They lived in poverty  
Fed by a vain hope, that it will change  
Then there came a stranger  
“I will grant all of your wish” he said

Do not you ask?  
You will regret it, you’ll see  
Do not you ask?  
Even if you live unhappily

Your wish came true!  
It’s time to pay, you lost eyesight  
What shall you do?  
Nothing, because the greed is blind

They will sacrifice everything  
To achieve fortune and fame  
He knows where to go to  
But they must be blind to find the right way

Do not you ask?  
You will regret it, you’ll see  
Do not you ask?  
Even if you live unhappily

Your wish came true!  
It’s time to pay, you lost eyesight  
What shall you do?  
Nothing, because the greed is blind

Your wish came true!  
It’s time to pay, you lost eyesight  
What shall you do?  
Nothing, because the greed is blind
