They took her away and didn't say a word.
Unholy bastards! No changes for her!
But she knew what was goin' on...
Barefoot and scared, they throw her in the snow,
Her hands were shaking, she knew where she'll go...
Will the moon see her blood tonight?

Hail was slashing her pale skin,
Around her all those who bring the death.

"Souls of the night,
Mighty, and right,
I'm calling thee!
My end in the fire!
And when I'm gone,
Take my soul home,
Yes, this is my fate,
That's what I desire..."

"Souls of the night,
Mighty, and right,
I'm calling thee!
My end in the fire!
And when I'm gone,
Take my soul home,
Yes, this is my fate,
That's what I desire, now..."
