

Body Burn

Cubanate

So little time to tell you
So little time to tell you how I feel
I wanna live I wanna live to see your body beat
I wanna live I wanna live to see your body burn body burn
It's now or never I'm on the edge of my nerves
It's now or never I'm on the edge of my nerves
I wanna live I wanna live to see your body beat
I wanna live I wanna live to see your body burn body burn
I'm burning up I'm burning up
Body burn body burn
No pain no gain no pain no gain
Feel the heat heat feel the heat
Burning I'm burning I'm burning I'm burning I'm
Body burn body burn
I'm burning up I'm bleeding I'm bleeding I'm burning up
Feel the heat I'm burning up
I'm gonna burn you up
