It's Too Late

Culture Beat

Stayed in bed all morning just to pass the time There's something wrong here There can be no denying One of us is changing Or maybe we've just stopped trying And it's too late baby, now it's too late Though we really did try to make it Something inside has died and I can't hide And I just can't fake it It used to be so easy living here with you You were light and breezy And I knew just what to do Now you look so unhappy And I feel like a fool And it's too late baby, now it's too late Though we really did try to make it Something inside has died And I can't hide it And I just can't fake it There'll be good times again for me and you But we just can't stay together Don't you feel it too Still I'm glad for what we had And how I once loved you And it's too late baby, now it's too late Though we really did try to make it Something inside has died and I can't hide it I just can't fake it Don't you know that I... I just can't fake it Oh it's too late my baby Too late my baby You know It's too late my baby
