Take Me Away

Culture Beat

You, there is no one like you And all the things you do I want to spend my time with you I, hope that I am your type And that we could tonight Discover what new love is all about

Trying to close my mind of many folks running me wrong This case won't leave me alone we've gone working the wack Trying to trash my stature we won't go On a tedious to go pull strings Turbeo want to clip my wings Through swadies purt to play Rascals running with teeth quechin' needed so can you...

Take me away Take me to a place where our love must be alone, oh yeah Take me away Take me by the hand and control what is going on, oh yea No matter what we may go through you got to understand That I want you I need you each day So take me away Take me to a place where our love must be alone, oh yeah

I, I never was too shy I really don't know why Tonight is gonna be alright Hey, let's try to get away This love is here to stay Because you make me feel this way

Pressure wants to punch my poise Church stealing my joys Time strip want to take my toys Swindlin' my supplies The squeeze but it's lacking the breeze Vics though seek the please The readings found the gold The devil's taking us over We can break for mine decay Bitterness all over my back Need tension, quenching, can you...
