

# God Thank You Woman

Culture Club

Woman, thank you thank you  
God thank you woman

What we have is something special  
Something quite unique  
What we have should last forever  
Heaven at my feet

I would give the world to you  
Or anything you need  
There is nothing I won't do  
Just promise that you'll never leave

God thank you woman  
Thank you thank you  
For the joy that you give to me  
God thank you woman  
Thank you thank you  
For the joy that you give to me

In this world you are my pleasure  
No one can compete  
Happiness is hard to measure  
Woman you're so sweet

I would give my heart to you  
You're the air I breathe  
There is nothing I won't do  
Just promise that you'll never leave

God thank you woman  
Thank you thank you  
For the joy that you give to me  
God thank you woman  
Thank you thank you  
For the joy that you give to me

When I'm alone at night  
I think of love  
Well, baby that's alright  
But it ain't enough

Won't you call me if you need me  
I have loved

I would give the world to you  
Or anything you need  
Oh God thank you woman  
Thank you thank you  
For the joy that you give to me
