Woman, thank you thank you God thank you woman

What we have is something special Something quite unique What we have should last forever Heaven at my feet

I would give the world to you Or anything you need There is nothing I won't do Just promise that you'll never leave

God thank you woman
Thank you thank you
For the joy that you give to me
God thank you woman
Thank you thank you
For the joy that you give to me

In this world you are my pleasure No one can compete Happiness is hard to measure Woman you're so sweet

I would give my heart to you You're the air I breathe There is nothing I won't do Just promise that you'll never leave

God thank you woman
Thank you thank you
For the joy that you give to me
God thank you woman
Thank you thank you
For the joy that you give to me

When I'm alone at night I think of love Well, baby that's alright But it ain't enough

Won't you call me if you need me I have loved

I would give the world to you Or anything you need Oh God thank you woman Thank you thank you For the joy that you give to me
