

Move Away

Culture Club

Moving moving
Move away

Spirit changed the conversation
Stepping stones across the land
I never wanted to be a hero
I never wanted to be a man

I hurt you darling
I made you cry
I hurt you darling
Don't ask me why

Move move move away from me darling
I never said I'd hold your hand
Move move move away from me darling
I never said I'd understand

If I could say this was judgment day
You know I'd be a millionaire

I'm prepared to wear my sorrow
Everywhere we go in town
Ain't no need to beg or borrow
While you're there to drage me down

(justice right)

I need you so
I can't let go

I never said I'd hold your hand
Why don't you move?
