

You Know I'm Not Crazy

Culture Club

Say your mind has an overload
Your heart beats rhythm
Hot and cold
Your stature has a naked bucks
When you're near
You're not like us

You know I'm not crazy
You know I'm not crazy

I caught on to the way you smile
Love could only last a while
I couldn't love
I couldn't touch
The situation
Was too much

You know I'm not crazy
You know I'm not crazy

Your love fails me
Your love, it fails me
Your love fails me
Your love, it drives me crazy

Don't tell me that lovers always mistrust
The lies in your eyes
The death in your lust
It's more than distraction
You touch you feel
Our hearts dance apart
And you say this is real
You know I'm not crazy

Talk about the love we feel
The passion that our hearts conceal
Kiss and run
The fools we trust
Love inside a blinding lust

You know I'm not crazy
You know I'm not crazy

Hold me to my every word
Forget about the things you heard
Time will conquer
Time will state
We owe every tear to fate

You know I'm not crazy
You know I'm not crazy

Your love fails me
Your love, it fails me
Your love fails me
Your love, it drives me crazy
