Culture

Some ah dem a say dat dem a bad man  
Some ah dem a say dat dem a dan  
Di other res a dem a say a gun man  
Di other res a dem bawl out dem a notch

Peace and love inna di dancehall peace and love  
Peace and love inna di dancehall peace and love  
Peace and love inna di dancehall peace and love  
Peace and love inna di dancehall peace and love

I'm not afraid of your automatic! (one love)  
Neither afraid or respect your special! (we want love)  
If yuh even go tek up your big six pence  
And come to jump and drive over I fence (weh mi say?)

Peace and love inna di dancehall peace and love  
Peace and love inna di dancehall peace and love (hear what I say)  
Peace and love inna di dancehall peace and love

I'm not afraid of your M16  
Neither afraid of your bush master  
Because from your heart have war I know what you're after  
Come to destroy each and everyone (but yah hear mi)

Peace and love inna di dancehall peace and love  
(peace within the hall)  
Peace and love inna di dancehall peace and love  
(come sista mek we rock)  
Peace and love inna di dancehall peace and love  
(sista pat sista pat)  
Peace and love inna di dancehall peace and love

Juss a while ago yuh throw yuh hand over mi shoulder  
I feel like fallin to bed (nuh bedtime yet though)  
When I tek a stop reggae music get red  
I've got to hop and skip and shake up I dread (weh mi say?)

Peace and love inna di dancehall peace and love  
(to everybody)  
Peace and love inna di dancehall peace and love  
Peace and love inna di dancehall peace and love  
Peace and love inna di dancehall peace and love

All I need is the music to haul and pull up (right! right!)  
Mi nah boast off nar push up  
But reggae music get internationally  
Das why we have got to jump and sing musically  
Wha we a sing she??

Peace and love inna di dancehall peace and love  
Peace and love inna di dancehall peace and love  
(rock an come reggae)  
Peace and love inna di dancehall peace and love
