

# The International Herb

Culture

I took a spliff this morning of,  
The international herb,  
It make I feel so groovy man, (the international herb)  
It gives me inspiration in music man, (the international herb)  
So that's why I can refuse it man, (the international herb)  
My bredrin I love it and I love it man, (the international herb  
)  
The span of my life is not a bucket man. (the international herb  
b)

Hey!  
Jah! (Rastafari!) Selassie!  
Jah! (Rastafari!) Live it up.  
Jah! (Rastafari!) Me tell you.  
Jah! (Rastafari!)

Its good for meditation man, (the international herb)  
And it was way from creation man, (the international herb)  
Even the doctors knows about it too, (the international herb)  
Scientists they know about it man, (the international herb)  
Take a draw and don't you doubt it man, (the international herb  
)  
But if yu go up to Africa, you will see it man, (the international herb)  
Run up by England and you'll see it too, (the international herb  
b)  
Step by Bermuda and you will see it man. (the international herb  
b)  
Run clear he! he!  
I tell you.. waa, (the international herb)

Man I just can't do without it man, (the international herb)  
Come from Taiwan life a stick yeh, (the international herb)  
Colombian stylee brought it back too, (the international herb)  
School children they love it, and they love it, (the international herb)  
I saw there birds, and birds eat it man, (the international herb  
b)  
And I've got to utilize it man, (the international herb)  
No one can tell I to brutalize it man.. (the international herb  
)
