

Why am I a rastaman?

Culture

I've been questioned to meet early on the street
many want to know the reason why?
I am a rastaman
many people see I many people ask I
Why am I a rastaman?
many people see I many people ask I
Why am I a rastaman?
cause, it's because of the babylooon and the situation?
it's because of the babylooon and the situation
when I was a boy about eight years old
there was a surtain rastaman
and he love all the children
and he treated us like a man
even the little children than no one
cared, he called up on everyone
and he gave us food and treated everyone
with a special love
many people see I many people ask I
Why am I a rastaman?
but he tought I the LOVE to give to everyone
many people see I many people ask I
Why am I a rastaman?
there is no better way to express my love,
to each and everyone
one satuarday morning
a special thing happened to this man
he moved out of babylooon
him take away the rastaman
to the root of him herb and the meat of him fruit
and throw it in a van
and staight up brother for ten years old
I never see the rastaman
they took him to general penetetry and
send him back as a valid man
but goot could not change him his mind,
cause in that prison was just his body, man, oh
many people see I many people ask I
Why am I a rastaman?
no matter how hard the battle be-
I still have JAH in my hand
many people see I many people ask I
Why am I a rastaman?
how sweet the name of JAH JAH song
to every righteous rastaman
am the same old rastaman
taught you paushing and ting
would come out and have cyclulation
and we would use a true bird, man
now I have seen telling me u
got no dark and it got no use, man
donkey, horses and cross keeper
trooding on I being am a man
everyone see, I everyone ask I
Why am I a rastaman?
many people see I many people ask I
Why am I a rastaman?
everyone see, I everyone ask I

Why am I a rastaman?
