Remember Me

The abstract has become the reality,
the abstract has become the reality,
the abstract has become the reality,

the abstract has become the reality,
the abstract has become the reality,

to the setting sun, to the setting sun,
to the setting sun, to the setting sun
remember me,
remember me,

easy for rest to forget,
easy for rest to forget,
to the setting sun,
remember me, oh lord,
remember me, oh lord
