

Love Dance Of The Nodding Folk

Current 93

is autumn the one?
is brightness the one?
can i interest you in death?
can i...shall i move next door?
would you like to touch this shadow of my s...?
would you like to see how great the stairs are that i made to y
ou?
can i interest you in silence?
can i interest you in words?
can i interest you in decline?
can i interest you in despair?
can i interest you in a tattered god?
can i interest you in that?
yes yes before but before
stone is the colour of your true love's eyes
