

Just close your eyes
And then remember
The thoughts
You've locked away
When tomorrow comes
You'll wish
You had today
And as we sit here alone
Looking for a reason to go on
It's so clear that all we have now
Are our thoughts of yesterday

If You're still there
When it's all over
I'm scared
I'll have to say
That a part of You
Has gone
Since yesterday

And as we sit here alone
Looking for a reason to go on
It's so clear that all we have now
Are our thoughts of yesterday well maybe
This could be
The ending
With nothing
Left of You
A hundred wishes
Couldn't say
I don't want to...
