The Bloodbells Chime

Current 93

Sell all you have give it to the kittens And pour the milk on Louis' grave And Catland sometimes called Pussydom Opens for you instantly it's the inmost light! It's the inmost light Somewhere over the rainbow On the goodship lollipop

There oh there Goodnight The inmost light The happy children rise all from their pools Eyes still sealed Sleeptight With mud and night It's their inmost night Goodnight

And yet still I which I could dream as when young Sleeptight As she came to me so young and honest Goodbye

Yet the bloodbells chime I do not notice them I shall not notice them Yet the bloodbells chime

Tommy Katkins still send his regards Frozen for ever on some animal somme The last thing on his mind is marriage But the call of home and heart

Yet the bloobells chime Yet the bloobells chime Yet the bloobells chime
