

Five White Boys

Current Swell

Singing the devils music
finger pickin' it too
Can't touch the black mans rhythm
cause the mans got nothing to lose

Hey hey hey its all thanks to you
we're just 5 white boys and we're lost in the blues
oh my my its all thanks to you
muddy and sonny and john lee hooker too

Singin' the reggae music
when the bass line drops
No we aint the man with the rhythm
but we aint some bumbaclats

Hey hey hey its all thanks to you
we're just 5 white boys and we're lost in the blues
Oh my my its all thanks to you
muddy and sonny and john lee hooker too
