Singing the devils music  
finger pickin' it too  
Can't touch the black mans rhythm  
cause the mans got nothing to lose

Hey hey hey its all thanks to you  
we're just 5 white boys and we're lost in the blues  
oh my my its all thanks to you  
muddy and sonny and john lee hooker too

Singin' the reggae music  
when the bass line drops  
No we aint the man with the rhythm  
but we aint some bumbaclats

Hey hey hey its all thanks to you  
we're just 5 white boys and we're lost in the blues  
Oh my my its all thanks to you  
muddy and sonny and john lee hooker too
