

For The Land

Current Swell

Won't you tell your daddy
I'm an educated man
Goyim is just a shadow of a land
You may be clever boy but you still don't understand
This girls my daughter
Therefore I am her only man
I'm her only man

Your daughter's love for me
lies deeper than her faith
Running away with you now
Would be her worst mistake
So come on honey won't you take me by the hand
Goyim, just a shadow of a land

For the land

When that phone call had come
The dark words of a lying man saw the sun
We put faith in love
Your hand alone in mine would be enough
That would be enough

For the land
