

It's so cold that I can barely even hold my own cup of coffee.  
It's no fair, I don't really care if you come around  
here now just to mock me.  
It's not a big deal, some consider this a steal.  
All in good form, just trying to keep you warm  
With the shelter of my arm, wrapped around your back.  
With a fake acting yawn that made you wanna laugh.

All in good form, yea yea yea.  
Just trying to keep you warm, just trying to keep you warm.  
With the shelter of my arm, yea yea yea.  
The shelter of my arm, the shelter of my arm.

A hundred stories told a hundred more to choose.  
Got a heart of gold and a belly full of booze  
And he'll rock it till he's old like he did in his youth,  
He'll do just what he's told unless he's told just what to do.  
Cause we don't care and we'll tell you why.  
Self made millionaire thrown everything in the sky.  
We tell you why.  
We tell you why.

All in good form, yea yea yea.  
Just trying to keep you warm, just trying to keep you warm.  
With the shelter of my arm, yea yea yea.  
The shelter of my arm, the shelter of my arm.
