

Young And Able

Current Swell

Hey my baby well ain't that nice,
Turn a lifestyle into a paradise.
Living on the beach and eating fish everyday,
Sipping from the fruit from the juice that she made and

She loves me now, why wouldn't she,
I love my baby and my baby loves me.
Loves me now, because I'm young and able,
Well, loves me for what I bring to the table.

She's on the top and I'm on the low,
I'll take her anywhere that she would want to go,
Let me know if I've crossed the line,
I said taking it slow is just a waste of our time.

She loves me now, why wouldn't she,
I love my baby and my baby loves me.
She loves me now, because I'm young and able,
She loves me for what I bring to the table

"Thank you ma'am, well I do adore,
This aint't the first time I've been here before.
Getting easier with every task ,
Its not the first time and it wont be the last.
Thank you ma'am for what you've done,
I know now where I'm going cause I've found just where I'm from.
Getting easier with every task,
Its not the first time and it wont be the last."

Everybody wants a piece of the pie,
Its easier now if you justify,
Your home is where you make it, You make it where you live.
You don't get what you want and you don't get what you give.
Coffee in the morning is what she would make and
In the afternoon you know we're feeling the break,
You know we're feeling the break, you know we're feeling the break.
You don't get what you want but you can get what you take.

She loves me now, why wouldn't she,
I love my baby and my baby loves me.
She loves me now, because I'm young and able,
She loves me for what I bring to the table

"Thank you ma'am, well I do adore,
This aint't the first time I've been here before.
Getting easier with every task ,
Its not the first time and it wont be the last time."
