

Hey Baby (Give It All To Me)

Curtis Mayfield

Selfish? Yea, I am, but you got the kind of love that makes me want it all.

Hey, baby, YOU ARE in my mind so heavenly. Hey, baby,
YOU ARE the way I like my world to be. Hey, baby, I LIKE
(uuh, I like) the way your hips go to and from. Uuh, baby,
SO COOL livin' life like a movie show (like a movie show).

Your mama don't get no love (mama don't get no love),
your brother don't get no love (brother don't get no love),
your baby don't get no love, give it all to me (baby don't get
no love, give it all to me). Your daddy don't get no love
(daddy don't get no love), your sister don't get no love
(sister don't get no love), your puppy don't get no love,
give it all to me (give it all to me).

Honestly, you and me, like tumbleweeds, just roll along so free.
To tell the truth, just lovin' you, it sure is cool, and everything
we do. Want nothing less 'cause you're the best. Without a fuss
you've won me and my trust. Without a doubt we can find each
other out. The time is now, show me how, uu uu uu uu uu uu uu
uu uu uu uu uu uu uu.

Hey, baby, SO FINE, you're so fine. You know I want you to be mine.
You, baby, SO COOL, you're so cool, fix it up with you all the time.

Your mama don't get no love (mama don't get no love),
your brother don't get no love (brother don't get no love),
your baby don't get no love, give it all to me (give it all to me).
Your daddy don't get no love (daddy daddy daddy), your sister
don't get no love (sister don't get no love), your puppy don't get
no love, give it all to me.

Honestly, baby, you and me, we're like tumbleweeds, just roll
along so free. To tell the truth, baby, lovin' you, it sure is cool,
and everything we do. I want nothing less 'cause you're the best.
