

# Love to Keep You in My Mind

Curtis Mayfield

Through loving you I seem to feel a spirit  
Deep inside of me  
Preciously guiding me  
My woman of all women, dear to me

Forever love me  
For I need you constantly  
And still, you hold me close indeed  
Helping to keep this love I need  
Feels so much like your touch divine

Drinking and getting high on wine  
Wanting to love you, all the time  
Just love to keep you in my mind  
Just love to keep you in my mind

Your face is so mysteriously kind  
I bet that love is  
Partial to your sign  
Somehow I do believe that you are mine  
Proving in a natural way  
Things that I could never think to say

And still, you hold me close indeed  
Helping to keep this love I need  
Feels so much like your touch divine

Drinking and getting high on wine  
Wanting to love you all the time  
Just love to keep you in my mind  
Just love to keep you in my mind

The magic that you secretly possess  
Ooh, I must confess  
Must be working at its best  
My love for you is one you'll always know  
Wherever we may go  
You will find that it is so  
And still, you hold me close indeed  
Helping to keep this love I need  
Feels so much, like your touch divine

Drinking and getting high on wine  
Wanting to love you all the time  
Just love to keep you in my mind  
I just love to keep you in my mind
