

## Something To Believe In

Curtis Mayfield

If you had a choice of colors  
Which one would you choose, my brothers  
If there was no day or night  
Which would you prefer to be right

How long have you hated your white teacher  
Who told you, you love your black preacher  
Do you respect your brother's woman friend  
And share with black folks, not of kin

People must prove to the people  
A better day is coming for you and for me  
With just a little bit more education  
And love for our nation, would make a better society

Now some of us would rather cuss and make a fuss  
Than to bring about a little trust  
But we shall overcome our beliefs someday  
If you'll only listen to what I have to say

And how long have you hated your white teacher  
Who told you, you love your black preacher  
Can you respect your brother's woman friend  
And share with black folks, not of kin

I said, now people must prove to the people  
A better day is coming for you and for me  
With just a little bit more education  
And love for our nation, would make a better society

And if you had a choice of colors  
Which one would you choose, my brothers  
If there was no day or night  
Which would you prefer to be right

If you had a choice of colors  
Which one would you choose my brothers
