

Tripping Out

Curtis Mayfield

Tripping Out

I'm tripping out, tripping out over you babe - over you babe
I'm tripping out, tripping out over you babe over you

Each day I'm not with you, is like a day without sunshine,
I'm the whole of you babe, You've become a part of me - ooowee
You're not like other girls, or is it my imagination
This pounding in my heart, is all because of you

I'm tripping out, tripping out over you babe - yeah mama
I'm tripping out, tripping out over you - come on

(Its a good feeling)

(All over you)

Let me be your slave, because I've learnt to worship you
I'll do anything you say, anything you want me to
To me you are my queen, and I'm your knight in shining armour
Standing guard over your love, the love you've given me

You've got me...

Tripping out, tripping out, over you babe - your so good to me
mama
Tripping out, tripping out, tripping out, over you - I love you
baby
Your so good to me little mama
