## We The People Who Are Darker Than Blue

**Curtis Mayfield** 

We people who are darker than blue Are we gonna stand around this town And let what others say come true? We're just good for nothing they all figure

A boyish, grown up, shiftless jigger Now we can't hardly stand for that Or is that really where it's at? We people who are darker than blue

This ain't no time for segregatin'
I'm talking 'bout brown and yellow two
High yellow girl, can't you tell
You're just the surface of our dark deep well

If your mind could really see
You'd know your color the same as me
Pardon me, brother, as you stand in your glory
I know you won't mind if I tell the whole story

Get yourself together, learn to know your side Shall we commit our own genocide Before you check out your mind?

I know we've all got problems
That's why I'm here to say
Keep peace with me and I with you
Let me love in my own way

Now I know we have great respect For the sister, and mother it's even better yet But there's the joker in the street

Loving one brother and killing the other When the time comes and we are really free There'll be no brothers left you see

We people who are darker than blue Don't let us hang around this town And let what others say come true

We're just good for nothing they all figure A boyish, grown up, shiftless jigger Now we can't hardly stand for that Or is that really where it's at?

Pardon me, brother, while you stand in your glory I know you won't mind if I tell the whole story Pardon me, brother, I know we've come a long, long way But let us not be so satisfied for tomorrow can be an An even brighter day
