

You're So Good to Me

Curtis Mayfield

Embracing me this way
Kiss my lips a taste
But oh sweet ecstasy!
Give it all up to me (
give it all up give it all up, give it all up)
Carry on our day this way
You're so good to me
Don't try to understand, to much lack of this
I wanna be the man
I know there is some risk
Oh, sock it to me, sock it to me
Ooh, you're so good to me

Don't wanna see selfishly, us broken-hearted
Should always be you for me and you for me
We too, loving through, hey baby
(Sexy dancing minx), Sexy dancing minx
(Sexy dancing minx)

You're just what it takes
(You're just what it takes)
And I hope it's not too late
(And I hope it's not too late)
Want you tenderly
You're so good to me

Say girl you're my love
Friends are all we have
The way we have our love
When we want to enjoy
Lonely, lonely now
You're so good to me

I can never get over you
(I can never, can never, can never)
No matter how I try
Hung up for your love
(Hung up for your love)
(Hung up for your love)
Baby that's my life
(Hung up for your love)
No one could satisfy
You're so good to me

I never craze at pace
(Never get over, get over you)
Wanted you this way
(Never get over, get over you)
Love begin to race
Whatever come what may
Love me tenderly
You're so good to me

(Never get over, get over you)
I can never get over, get over you
No matter what I try to do
Hung up on your love its true

I can never get over, get over you
You're so good to me
Hey baby, hey baby

Oooh, embracing me this way
Kiss my lips a taste
But oh sweet ecstasy!
Give it all up to me
(give it all up give it all up, give it all up)
Get down, get down all day
Cos you're so good to me

But never get over, get over you
No matter how I try
Hung up on love, on love its true
Baby that's no lie
No one could satisfy
You're so good to me
You see, I could never get over you, get over you, get over you
Cos you're so good to me
