

# Fools In Love

Curtis Stigers

Fools in love  
Well, are there any other kind of lovers?  
Fools in love  
Is there any other kind of pain, yeah?

Everything you do, everywhere you go now  
Everything you touch, everything you feel  
Everything you see, everything you know now  
Everything you do, you do it for your lady love  
Your lady love, your lady love, your lady love

Fools in love  
Gently hold each others hands forever  
Fools in love  
Gently tear each other limb from limb

Everything you do, everywhere you go now  
Everything you touch, everything you feel  
Everything you do, even your rock 'n' roll now  
Nothing means a thing except you and your lady love  
Your lady love, your lady love, your lady love

Fools in love, they think they're heroes  
'Cause they get to feel more pain  
I say fools in love are zeros  
I should know, I should know  
Because this fool's in love again

Everything you do, everywhere you go now  
Everything you touch, everything you feel  
Everything you do, even your rock 'n' roll now  
Nothing means a thing except you and your lady

Everything you do, everywhere you go now  
Everything you touch, everything you feel  
Everything you see, everything you know now  
Everything you do, you do it for your lady love  
Your lady love, your lady love, your lady love

Love your lady love, your lady love, your lady love  
Love your lady love, your lady love, your lady love  
Love your lady love, your lady love, your lady love

Love, love, love, love  
Love your lady love, your lady love, your lady love  
Love, love, love, love, love your lady love
