

I Keep Telling Myself

Curtis Stigers

It's the time of the night
When they turn on the lights
And lovers go out like we used to do
And here I am again I find myself alone
It's no one's fault know nobody's but my own
I won't listen to the part of me
The part of me that holds me and won't let go

I keep telling myself it was not meant to be
I keep telling myself but my heart disagrees
No matter how many times
That I keep telling myself
I know I know there's nobody else

And at the end of the night
When they turn out the lights
And lovers go home like we used to do
I walk the empty streets I don't know where to go
Without you being there the house is not a home
But I'll keep on walking until I can't hear
The part of me that says that - that says I'm wrong
