Well baby, let me come and take you out tonight Where the music is a pumping and the lights are bright When the whistle blows and the workday's done We gonna get the party started and have some fun I'll meet you after midnight, baby, don't be late Down around the corner at the Empire State

The kids are getting down up in the Bronx tonight Times Square is lit up like it's broad daylight They're kickin' out the jams down in ol' Bay Ridge The joint is really jumpin' on the Brooklyn Bridge All the hippies boppin' down on Avenue A Put your red dress on, baby, we're on our way

```
New York, New York is rockin'
New York
(New York is rockin' tonight)
```

Well Sinatra's singing 'bout those little town blues Baryshnikov is putting on his blue suede shoes Bird is boppin' down on Fifty-Second Street The Ramones at CBGB's got 'em on their feet Pavarotti's playing up at Carnegie Hall Yeah, everybody's swingin' and havin' a ball

```
New York, New York is rockin'
New York
(New York is rockin' tonight)
```

They really got it shakin' in Jamaica, Queens Wall Street is dressing up in old blue jeans They're jumpin' at the Garden for the New York Knicks The Islanders and Rangers go their hockey sticks The Bombers in the Bronx and the Mets at Shea Giants and Jets are up and ready to play

```
New York, New York is rockin'
New York
(New York is rockin' tonight)
```

The Staten Island Ferry's rockin' all night long From Soho to Harlem hear 'em singing along The boys are steppin' out down on Christopher Street In Bed-Stuy they're rockin' to a new jack beat Well give our regards to ol' Broadway 'Cause New York is rockin' and it's here to stay

New York, New York is rockin'

New York, New York is rockin' New York, New York is rockin' New York, New York is rockin' New York (New York is rockin' tonight) New York, New York is rockin' New York (New York is rockin' tonight) New York, New York is rockin' New York (New York is rockin' tonight)
