

# The Ghost Of You And Me

Curtis Stigers

What am I supposed to do with all these blues  
No matter what I do  
Watchin' the candle flicker out  
In the evening glow  
I can't let go  
When will the night be over

I didn't mean to fall in love with you  
And baby there's a name for what you put me through  
It isn't love, it's robbery  
I'm sleepin' with the ghost of you and me  
The ghost of you and me

Seen a lot of broken hearts go sailin' by  
Phantom ships lost at sea  
And one of them is mine  
Raising my glass, I sing a toast to the midnight sky  
And I wonder why the stars don't seem to guide me

I didn't mean to fall in love with you  
And baby there's a name for all the things you do  
It isn't love, it's robbery  
I'm sleeping with the ghost of you and me

The ghost of you and me  
When will you set me free  
I hear the voices call  
Far away footsteps down the hall  
Tryin' to save what's left of my heart and soul

Watchin' the candle flicker out  
In the evening glow, I can't let go  
When will the night be over

I didn't mean to fall in love with you  
And baby there's a name for all the things you do  
It isn't love, it's robbery  
I'm sleepin' with the ghost of you and me
