

# There Will Always Be A Place

Curtis Stigers

There will always be a place in my heart  
In my heart  
No matter what I do  
There will always be a place in my heart  
In my heart  
There's a place for you  
The roads that we travel  
Some of them near  
And some of them so far  
We each go our own way  
I cling to the past  
While you reach for the stars  
Remember the old days  
Remember the crazy ways we used to be  
We were outcasts in the shadows  
Me reaching for you  
You reaching for me  
There will always be a place in my arms  
In my arms  
Yeah you know it's true  
There will always be a place in my heart  
In my heart  
There's a place for you  
Remember winter  
It made you cry  
Remember summer  
That lullabye  
I will remember  
In the days to come  
You standing in the wilderness  
Laughing in the sun  
So wherever you may wander  
Wherever your restless heart decides to go  
No matter the distance  
Wherever you are  
I want you to know  
There will always be a place in my heart  
In my heart  
No matter what you do  
There will always be a place in my heart  
In my heart  
There's a place for you  
Oh in my heart there's a place for you  
Oh in my heart there's a place for you
