## Men Are From Mars, Women Are From Venus

Turn it up Turn it down Switch it on Switch it off Called a friend Threw the phone Cut me down I'm lost I retire You resign I win You lose Break it up Break it down Men are from Mars Women are from Venus Show me up Drag you round I smile You frown Never have I known Such a liar Such a liar Such a liar Men are from Mars Women are from Venus We won't be happy 'Til we kill each other Men are from mars It's the never ending stories That will be our greatest glory And our children will believe us Because the know that we can teach trust The point to living freely Is to hope that we'll see clearly And manage information For the next generation
