i never should've gotten into it

```
you lie and cheat i might have to beat you you stab my back i might put the
heat to you dont drag your feet you
know you have to face me its not just once that youve disgraced me
layout your soul get rid of the weakness dont diss your boys over some princ
ess girls come and go but friends are a life
sentnce i'd walk away but your one of my best friends
there is no piece of ass worth a friendship
there is no piece of ass worth a friendship
a friend doesnt let a friend bang another friend's girlfriend
there is no piece of ass worth a friendship
dumb enough to go there nothing will mend it
no matter the excuses or just how loose she is
what will follow wont pay for the juiciness
dude but dude
i dont know
i dont know what to say
say
i am a fucking idiot
i never should've gotten into it
and i will never do it again
i am a fucking idiot
i never should've gotten into it
and i will never do it again
i felt at the moment the two were introduced
he's just the type and she's a toulouse
so i took him aside
tld him she was with "D"
he said what do i look like a fucking lewinsky
two weeks later she was greased up
and screaming
the story came out
full details of reaming
so everyone hates everyone
it's all fucked up
by L.A.'s worst starjocking slut
there is no piece of ass worth a friendship
a friend doesnt let a friend bang another friend's girlfriend
there is no piece of ass worth a friendship
a friend doesnt let a friend bang another friend's girlfriend
dude but dude
i dont know
sorry
say i am a fucking idiot
```

and i will never do it again say say say i am a total piece of shit and undeniable hypocrite i promise not to do it a gain

your mind's a blank your face a prank like you took it point blank got runover by a tank low rank frank no lower than you sank when all by yourself you're the world's biggest wank with only you to thank ass butthole stank belching with all your own piss you drank and your own green spunk from your morning spank on your way to a dumpster with an armful of crank

there is no piece of ass worth a friendship dumb enough to go there nothing will mend it there is no piece of ass worth a friendship dumb enough to go there nothing will mend it nothing will mend it i dont recommend it i dont recommend it nothing

say

i am a fuckingg idiot
should've never gotten into it
i'm a fucking idiot
i'm a fucking idiot
into it
into it
into it

do do do do it again

say say say

do it again
