

Feel the Love

Cut Copy

All the girls I've known are crying
All the clouds have silver linings
Though the days are counting backwards
I know that you have the right words

Me and you
Over something to do
Could this be true
It all comes down to you

Hey, you, hey, you

All the girls of note are crying
All the clouds have silver linings

Me and you
Over something to do
Could this be true
It all comes down to you

Hey, you, hey, you
Hey, you, hey, you
