

## Feel the Love

Cut Copy

All the girls I've known are crying  
All the clouds have silver linings  
Though the days are counting backwards  
I know that you have the right words

Me and you  
Over something to do  
Could this be true  
It all comes down to you

Hey, you, hey, you

All the girls of note are crying  
All the clouds have silver linings

Me and you  
Over something to do  
Could this be true  
It all comes down to you

Hey, you, hey, you  
Hey, you, hey, you
