

In These Arms Of Love

Cut Copy

I walked alone today
And no one seemed to notice
All through fire, ain't no pain without a purpose
I dreamt to spread your wings like Jesus on the hilltop
And that our gentle lips touching mine forever baby don't go

Can you listen to that
Can you listen to that

If love survives
Baby, I believe in metal
The links of our life
I believe they're so frail

Can you listen to that
Can you listen to that

Hey, I know it's rough
Give me a chance
Hey, babe, I know it's tough
But give me a chance

Give me a chance
In these arms of love
Give me a chance
In these arms of love
Give me a chance
In these arms of love
In these arms of love
In these arms of love

I know it's rough
Give me a chance
