

# Memories We Share

Cut Copy

I think I'm living in the same place  
As we were when this begun  
I think I'm staring at the same place  
That was here since we were born

I think I'm having all the same dreams  
About the desert and the rain  
I think I'm gonna have to tell you  
That I wanna start again

Who blocked the sun?  
Who let it down?  
I need an angel  
Don't fail me now

Who blocked the sun?  
Who let it down?  
I need an angel  
Don't fail me now

I need you to let me down  
I'm making my way back to you  
I need you to set me down  
Before I'm broken in two

I've been hoping for the future  
But the future never comes  
I've been searching for an answer  
Tell me now what have I done?

Who blocked the sun?  
Who let it down?  
I need an angel  
Don't fail me now

Who blocked the sun?  
Who let it down?  
I need an angel  
Don't fail me now

I need you to let me down  
I'm making my way back to you  
I need you to set me down  
Before I'm broken in two

I need you, I need you  
I need you, I need you  
I need you, I need you  
I need you, I need you

I need you, I need you  
I need you, I need you  
I need you, I need you  
I need you, I need you
