

# That Was Just a Dream

**Cut Copy**

That was just a dream  
That's the?  
That was just a dream  
That's the?

I got to believe in you  
I got to believe it's true  
I got to believe  
Say goodbye

That was just a dream  
That's the?  
That was just a dream  
That's the?

I got to believe in you  
I got to believe it's true  
I got to believe  
Say goodbye
