

That Was Just a Dream

Cut Copy

That was just a dream
That's the?
That was just a dream
That's the?

I got to believe in you
I got to believe it's true
I got to believe
Say goodbye

That was just a dream
That's the?
That was just a dream
That's the?

I got to believe in you
I got to believe it's true
I got to believe
Say goodbye
