

## Where I'm Going

Cut Copy

Take my hand if you know what I'm going through  
Take my hand if you know where I'm going

You know ow  
You know ow

All you need is a dream and a lover too  
All you need is a dream and a lover

Take my hand 'cause I know what you're going through  
After the time I haven't known where you're going

You know ow  
You know ow

It's my dream that you've chosen if you wanna to  
It's a turning cause your if you wanna

You know ow  
You know ow

I set me free  
But I with hands of dreams  
I know fresh down the sea  
To wonder will agree
