

Doctor

Cute Is What We Aim For

I'm like a rookie paramedic to a siren
Praying for an accident
Nobody will let me walk
Until I've got no back up
Until they're out of control

This emergency
Brought you to me

I'll be your doctor
I'll be your cure
I'll be your medicine and more
Yeah you can rest assure
I'm your doctor, I'm your cure
I'll be your cure

I've got a secret
Please don't repeat it
I took the chemicals we took to make our chemistry
And I remixed it
It didn't fix it
All it did was make our memories a blur to me

This emergency
Brought you, brought you to me

I'll be your doctor
I'll be your cure
I'll be your medicine and more
Yeah you can rest assure
I'm your doctor, I'm your cure
I'll be your cure

I'll be, I'll be your cure (3x)
I'll be, I'll be yours
I'll be, I'll be your whore
I'll be, I'll be your cure (2x)
I'll be, I'll be yours
I'll be, I'll be your cure (3x)

This emergency
Brought you to...

I'll be your doctor
I'll be your cure
I'll be your medicine and more
Yeah you can rest assure
I'm your doctor, I'm your cure
I'll be your cure

This is it for me.....this is it for me...this is it for me...this is it for me

This is it for me! (4x)
