

I Put the 'Metro' in Metronome

Cute Is What We Aim For

I'm gonna make sure that I put this place on the map
If there's one promise I make it's that
If there's one promise I make it's that
Some map told me that this could be the best of me
and some map said that I couldn't
But I'm not buying it
You're buying it

Style doesn't matter when you're on your back
Just remember that fact, just remember that
Style doesn't matter when you're on your back
Your clothes don't fit this season

Uptown girls are as good as gold downtown
Or suburban gents like me have been told
Good as gold
Suburban urgency has got the best of me
Uptown girls are as good as gold downtown
Or suburban gents like me have been told
Good as gold
Suburban urgency has got the best of me

My door was locked as we talked and talked
Keeping tempos with or without our clothes
And I'm telling you as fast as I can I'm a trend, a
trend
Cuz I don't break hearts, I just dent them
No, I don't break hearts, I just dent them

Style doesn't matter when you're on your back
Just remember that fact, just remember that
Style doesn't matter when you're on your back
Your clothes don't fit this season
You're cold and that's the reason

Uptown girls are as good as gold downtown
Or suburban gents like me have been told
Good as gold
Suburban urgency has got the best of me
Uptown girls are as good as gold downtown
Or suburban gents like me have been told
Good as gold
Suburban urgency has got the best of me

Keeping tempos with or without clothes
Fast step time and slow
So wave that glass, you're high class
Keep that tempo slow

Style doesn't matter when you're on your back

Uptown girls are as good as gold downtown
Or suburban gents like me have been told
Good as gold
Suburban urgency has got the best of me
Uptown girls are as good as gold downtown
Or suburban gents like me have been told

Good as gold
Suburban urgency has got the best of me
