

## How Blue Can You Get?

Cyndi Lauper

Been downhearted baby  
Ever since the day we met  
I've been downhearted baby  
Ever since the day we met  
Our love is nothin' but the blues  
Baby how blue can you get

My love is like a fire  
Your love is like a cigarette  
My love is like a fire  
But baby yours is like a cigarette  
I watch you step down on it baby and crush it  
Tell me how, tell me how, how blue can you get

You're evil when I'm with you  
And you're jealous when we're apart  
Yes you're evil when I'm with you baby  
Lord have mercy, you're jealous when we're apart  
How blue can you get  
Hey that's a writing in my heart

I gave you a brand new Ford  
And you just said I want a Cadillac  
I bought you a ten dollar dinner  
You said Thanks for the snack  
I let you live in my penthouse  
You said it was just a shack  
I gave you seven children  
And now you wanna give 'em back

I've been downhearted baby  
Ever since the day we met  
Our love is nothin' but the blues  
Baby how blue can you get
