## **Romance in the Dark**

**Cyndi Lauper** 

In the dark, it's just you and I
There's not a sound, there's not one sigh
Just the beat of my poor heart
In the dark

Now, in the dark, I get such a thrill When he puts his fingertips upon my lips And he begs me, "Please, please, be still" In the dark

But soon this dance will be ending And you're gonna find, you're gonna be missed Gee, but I'm not pretending 'Cause I swear, I swear, it's fun It's fun, it's fun to be kissed in the dark

Now, we will find What the rest what the rest have left behind Just let them dance 'cause we'll find romance In the dark

In the dark, I get such a thrill When he puts his fingertips on my lips And he begs me to "Please, be still, be still" In the dark

Oh, but soon this dance will be ending And you're gonna be missed Gee, but I'm not pretending 'Cause I swear, I swear, it's fun It's fun, fun to be kissed in the dark

Now, we will find What the rest what the rest have left behind Just let them dance 'cause we'll find romance In the dark, yes
