

She Bop

Cyndi Lauper

We-hell- I see them every night in tight blue jeans
In the pages of a blue boy magazine
Hey I've been thinking of a new sensation
I'm picking up - good vibration -
Oop - she bop -

Do I wanna go out with a lion's roar
Huh, yea, I wanna go south n get me some more
Hey, they say that a stitch in time saves nine
They say I better stop - or I'll go blind
Oop - she bop -

She bop - he bop - a - we bop
I bop - you bop - a - they bop
Be bop - be bop - a - lu - she bop,
I hope He will understand
She bop - he bop - a - we bop
I bop - you bop - a - they bop
Be bop - be bop - a - lu - she bop
Oo - oo - she - do - she bop - she bop

(whistle along here...)

Hey, hey - they say I better get a chaperone
Because I can't stop messin' with the danger zone
No, I won't worry, and I won't fret -
Ain't no law against it yet.
Oop - she bop - she bop -

She bop - he bop - we bop.....
