

## Uroboric Forms

Cynic

Self is the universe, not separate  
The state before the fall into self consciousness

Nothing is himself, everything is world

Primordial egg returns  
Consciousness unborn  
Pre-personal perfection  
Bliss's scree yet untorn  
Uroboric forms

Find itself as a separate entity  
An ego germ is just beginning to be

Wherever there is other, there is fear

Birth, primal paradise  
No gap distance or separation  
Between self and environment  
Unconditional omnipotence

Nothing is himself, everything is world

Consciousness unborn  
Uroboric forms
