Can't deal with this

```
Gimmie that beat, bitch! ([vocal sample:] "We Are At War")
Ding Ding Muthafucka
It's round two
I got my lunch and my dinner fool
You think we gonan bow down to some punk ass niggaz
We from the evil side, boy
Doughboy (Killa), Wack 10 (Killa)
In about four seconds some east side niggaz
Is gonna put the foot in the ass of Doughboy and Wack 10
I suggest you stay tuned muthafuckas
It takes two of you faggets to get with one of me
Now I'm running up in you hoes
With "No Vaseline"
You could be the big fish
Bring your drama
Fuck your mama
I'll bring the pack of piranhas
You tried to pull a ditty, ho
But you the one who got the alternative rockers up in your video
You get addicted
You can take your four W fingers and stick it in Mack 10's ass and lick it
Ice Cube is a thing of the past
If I got no nuts it's because they're still stuck in your ass
You're the King of punks
King of busters
King of thieves
Now get down of your fuckin' knees (Shag: Bow Down)
Start to sucking
You try to remake NWA without Dre and Ren
Dub's cool
But you're fuckin' up with Mack 10
Silly little philly
I'm back tearing'
Can you really see my machine gun turrets?
Open and aimed at your fat little frame
How can I miss?
I'll twist your cap and take your name
Analyze it
My name should be Mack 11
I'm a higher caliber MC
There's no question
Anytime you wann run up
You get dealt with
You get melted
"Check Yo' self" (bitch check it)
Ice Cube, you better tell'em (tell 'em mutha-fucka)
Muggs made the best songs on your third album (biatch!)
You and Wack 10
```
