Estos vatos tienen un chingo de feria
Listo? ponte la máscara, vámonos...

Five and four, and three, and two, and one
And we smash through the door with the quickness up
Looking for the crop, and I heard you pussies talk about
Don't try nothin', if you lead me to the Don't say a word, it'd be over, suicide

Five and four, and three, and two, and one
That's how many seconds left before your ass is done (click-clack)
Now you heard the sound, tell me somethin' new
This homie here won't hesitate to put a hole in you

So settle down, I don't wanna let the metal spray
Lead the way, give it up and live another day
Trees and sacks, backpack full of cash, out the door
Hit the ride, hear my tires screechin' in the back

Weed and dough, and hoes, and hit and run
As we graspin' for more with our pockets full
Layin' down the plot, blueprints for another pull
Smokin' up the spot while I quit, we're invincible
Jack your spot and we take your shit and run
Got my eye on my [?], it's just around the way
Searchin' for the dogs, no guards, so it's down to play
Judgin' by the odds we can hit it and lets hondalē
Somos locos pocos, here we come
Grippin' outta site
Takin' it to other heights

Homie, go around the back
Go in when I kill the lights
Sack up everything
Don't mean nothin' with a fuckin' knife
Five and four, and three, and two, and one
Now we in the buildin', take it all until it's done
Fifty pounds, smell it all around, yeah we comin' up
Easy pickin', don't be tellin' hoes, leave fucked up

Yo no quiero usar el cuhete no
Es muy baqueton
El bote no me asusta a mi
Es como vacación
