

# Put Em in the Ground

Cypress Hill

Put 'em in the ground, put 'em, put 'em in the ground  
Nigga 'bout to run up in your house and  
Put 'em in the ground, put 'em, put 'em in the ground  
Put 'em in the ground, put 'em, put 'em in the ground  
Put 'em in the ground, put 'em, put 'em in the ground  
Put 'em in the ground, put 'em, put 'em in the ground  
Put 'em in the ground, put 'em, put 'em in the ground  
Put 'em in the ground, put 'em, put 'em in the ground  
Put 'em in the ground, put 'em, put 'em in the ground

Nigga 'bout to run up in your house and  
Every morning I wake up in a bad mood  
Attitude fucked up, he's a bad dude  
No emotion, numb, wanna lace 'em up  
Step out the door like a warrior facing up (what)  
Embrace fate, can't wait till I see your brains  
You can't look into my eyes I'm made of stone, you got a heart of glass, keep your distance  
I set the tone on the crested moon, soon, bitches  
Growing up in the cut, soaking gangs vital  
So insane, pick your brain - cannibal style  
The nightmares that I'm living when Pieces where like a bitch, I hope you fall off  
Squeeze, click, bang - body gets hold off  
Send the dogs on you 'fore you get slaughter  
I'm laughing at you, when I lit my

Put 'em in the ground, put 'em, put 'em in the ground  
Put 'em in the ground, put 'em, put 'em in the ground  
Put 'em in the ground, put 'em, put 'em in the ground  
Put 'em in the ground, put 'em, put 'em in the ground  
Put 'em in the ground, put 'em, put 'em in the ground  
Put 'em in the ground, put 'em, put 'em in the ground  
Put 'em in the ground, put 'em, put 'em in the ground  
Put 'em in the ground, put 'em, put 'em in the ground  
Put 'em in the ground, put 'em, put 'em in the ground

Nigga 'bout to run up in your house and  
Stay Staying hungry but your fear is what I fed on  
What I'm holdin'? Dumb if you pop your chest  
Lights out, see the Broken dreams what I see when my eyes open  
Like it's Monday and I'm just going through the motions  
See the dream, I want the nightmares come to life  
Fighting my demons, heard a voice, coming to the light  
Soul burning like coal in a steam engine  
Silence my enemies swift with a clean endin'  
The way looking for somethin' upliftin'  
Intoxicated by the blind lust, fuck sleepin'  
I was raised like a Nomad, stay driftin'  
Two wheels, sideways bitch, heart skippin'  
A fire with the ice, hit you twice, no Eliminate these motherfuckers in no order (yeah)

Put 'em in the ground, put 'em, put 'em in the ground  
Put 'em in the ground, put 'em, put 'em in the ground  
Put 'em in the ground, put 'em, put 'em in the ground  
Put 'em in the ground, put 'em, put 'em in the ground
